

ACDR2024 WEBSITE LOGIN GUIDE

1. Once you have registered your ID to the website, you can use that ID and password to login to the website. (If you do not have an ID for this year's conference, go to "Register Now!" to create a new ID. Please use an ID different from previous ADRC conferences.)

The screenshot shows a login form with a blue header containing the word "Login". Below the header are two input fields: "User ID or registered e-mail" and "Password". A green "Login" button is positioned below the fields. Underneath the button are two links: "Forgot Your Password?" and "Not registered yet? Register now!".

2. After you have logged in, please go to your "Profile" page to add to or modify any information on your profile page. To go to your "Profile" page, click on [Update My Profile] at the top right of the home page.

*The "Profile" page may show fields that are optional to fill in.

If you have forgotten your password or ID

If you have forgotten your password or ID, click on [Forgot your Password?] below the Login button and follow the instructions on the screen that appears.

The screenshot shows the same login form as above. The "Forgot Your Password?" link is circled in red. Below the link is the text "Not registered yet? Register now!".
